- **GPK RACING BALACLAVA AND BALL CAP ISSUED ON DAY 1**
- **CERTIFICATES AND AWARDS ISSUED ON LAST DAY**

GPK promises to deliver your child with an absolutely exhilarating experience, with fun and safety always in mind. Our electric go-karts are governed by remote control, limiting their speed and providing a more controlled racing environment, all without the noxious fumes. Through in-class and on-track instruction, children will not only learn the techniques of racing, but will also develop useful tools & skills that are transferable for road driving. Along with karting, children will also participate in a variety of other activities including arts and crafts, scavenger hunts, slot car racing, and interactive gaming. GPK camp is restricted to children between the ages of 10 and 15, and must meet the minimum height requirement (approx. 50 inches). Price does not include hst. Discounts available for multiple children enrolled.
